

Horse Matting

Looking to reduce costs? Why not fit out your stables with rubber matting:

- Saves up to 80% on bedding costs
- Reduces storage and muck heaps
- Quicker to muck out
- Reduces risk of slipping
- We can supply and fit

A happy horse on a recent installation in Broadway!

We now have professional fitters for our horse matting

News Update

In to another new year we go with new and fresh opportunities and challenges awaiting us. The team here at Stow Agricultural are dedicated to helping our customers by providing a single source of quality hardware and supplies. We now can also supply and fit any of our product lines including fencing, livestock handling systems, horse mats and many more.

We are forever on the lookout for new product lines that will provide for all our customers. If you know of something you would like us to stock please do not hesitate to tell us.

Please take advantage of our clothing offer, which lasts until the end of February. And the guttering is at an amazing once only 20% off, they were good prices already and this just makes it unbeatable! Don't miss out and maybe plan ahead a little and stock yourself up.

We look forward to seeing you soon.
